IMPORTANT INFORMATION

Welcome to The Hughes Historic Rally 2024. We hope you have an enjoyable day.

At the end of the event please hand in your Damage Declaration and Feedback sheets. The latter will help us in the future planning of our events. If for any reason you do not finish, please e-mail the forms to the Secretary of the Meeting.

There are many horse stables and riding schools in this part of the county. We have co-operated with them to ensure that we minimise any inconvenience to the horses and their riders, as well as yourselves. A flyer issued by The British Horse Society was included in your Final Instructions. Please adhere to their guide as much as is possible. Similarly, this is a major cycling area, both on and off-road, and a popular area for walkers too. Please treat them all in the same way.

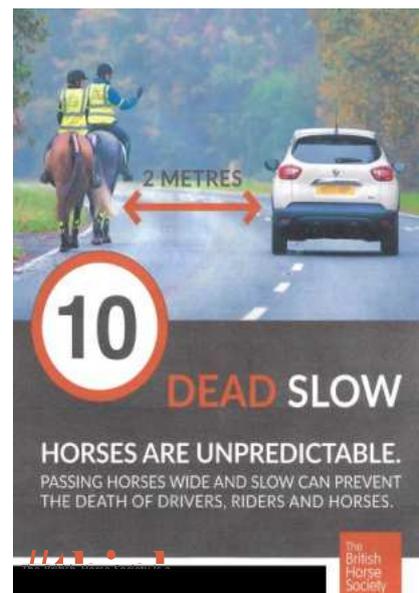

Because of the high density of dwellings in this part of the county we have arranged link sections between some Regularities. These will not be timed as such, but please keep as close to your time based on the Master Schedule on page 2. This will allow us to maximise the time available at Manston and the surrounding lanes. If you do fall behind time, please try to return to your due time within the various refreshment halts.

We have issued you with vouchers for you to hand in at the refreshment halts.

AND GENERALLY, REMEMBER – DRIVE WITH RESPECT.

Most of all – enjoy yourselves.

Thank you – The organising Team.

Link from MTC 1 to Start of Regularity A

The Polo Sports Ground has several other sporting sections and there are likely to be many cars coming and going at the same time as our start. To inconvenience those people as little as possible, and avoid congestion, we have allowed 8 minutes to travel to the Start of Regularity A which is 0.85 miles away.

You will be released from MTC 1 at one minute intervals. Please proceed with care to the main road – max speed 5 mph.

Turn left onto A257.

In 0.58 miles turn left.

The start of Regularity A is 0.28 miles along this road.

Regularity A – Stour Valley

This will be included in your Route Card handout at 08:00 plus your start number on Saturday morning.

Link Regularity A to Coffee – 7.58 miles

We have allowed 15 minutes for a break here. Please try to make up as much of any dropped time as you can.

This is an opportunity for you to have a comfort break and a complimentary drink from our table.

Link to Manston Morning Tests – 0.98 miles

Manston Morning Tests

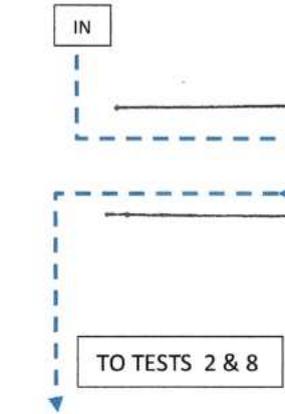

Move between Tests as quickly as you can to ensure the time schedule is adhered to.

Please drive at a sensible speed when travelling between competitive sections.

Remember, there are other cars moving from Test to Test around the whole airfield, and you will encounter two-way traffic in some areas.
